

# Like A Hurricane

## Neil Young

**Am** Once I thought I saw you in a **G** crowded, hazy bar,  
**F** dancing on the light from star to star.  
**Am** Far across the moon beams, I know that's who you are,  
**F** I saw your brown eyes turning once to fire. **Em G**

**C G F G C G F G**  
You are like a hurricane: there's calm in your eye.  
**C G F G**  
And I'm getting blown away,  
**F**  
There's somewhere safer where the feelings stay, **Am**  
I wanna love you but I'm getting blown away...  
**G F Em G**

**Em** I am just a dreamer, but you are just a dream, **G**  
**F** and you could have been anyone to me. **Em G**  
**Em** Before that moment you touched my lips,  
**G** that perfect feeling when time just slips  
**F** away between us and our foggy trips. **Em G**

### Chorus

**Am** You are just a dreamer, and I am just a dream, **C**  
**F** and you could have been anyone to me. **Em G**  
**Am** Before that moment you touched my lips,  
**G** that perfect feeling when time just slips  
**F** away between us and our foggy trips. **Em G**
